

Judy Waters

Watercolour

Wednesdays 1.-3 pm

from Term 1 2018

Judy is a local artist, with extensive experience and a love for flow mediums. She has been teaching for around 8 years; inspiring students in inks, watercolour, acrylic and resin art. She has appeared on Colour in Your Life twice.

A particular attraction to the sea and any subject nautical is apparent in her work.

We look forward to Judy joining our teaching staff and the work that comes from her Watercolour class.
